

EUROPEAN AUDIT COMMITTEE LEADERSHIP NETWORK

2024

Chairing the audit committee of a complex global company involves judgment, developed from personal experience and the insights of the audit chairs of similar companies. The European Audit Committee Leadership Network is for audit committee chairs of Europe's leading companies who are keen to learn from their peers and improve governance.

The Program

The network convenes four times a year, three times in Europe and once in a joint meeting with members of the US counterpart network, ACLN. Meetings typically run from mid-afternoon and a working dinner on the first day through lunch on the second. Tapestry Networks provides rigorous preparation and content development.

Before each in-person meeting, each member participates in a brief individual call to discuss the upcoming agenda and issues that are top of mind. Members then receive a *PreView*, a pre-read that combines their peers' perspectives with expert views.

After each in-person meeting, Tapestry publishes a Summary of Themes highlighting key discussion points and a ViewPoints with more detail on one of the topics.

Members can expect to spend roughly four days annually preparing and participating in network meetings.

"The sessions at Tapestry are part of my reflecting and testing whether I've thought through everything in a thorough way." – Network Member

Member Value

The benefits for EACLN members include:

- **Peer interaction.** Members can make connections and engage with peers, share experiences, and seek counsel from other audit committee chairs on matters of primary concern.
- **Networking.** Members will regularly engage with their peers and invited guest experts. Members of EACLN and ACLN may attend each other’s meetings, allowing for frequent cross-network collaboration.
- **Discussions customized to members’ interests and needs.** Agendas reflect the realities facing the audit chairs of large public companies, rather than conceptual or second-hand notions of what boards do.
- **Enhanced audit committee performance.** Audit committee chairs are under increasing scrutiny. Members can compare their practices with peers and discover ways to become more effective.
- **A trusted environment.** Audit committee chairs have few opportunities, outside their boardrooms, to engage each other on critical topics. Confidential, carefully curated discussions facilitate problem solving.

Alumni Network

The network continues to engage with members after they leave. Network alumni:

- Can attend a final network meeting after they have left the network
- Will continue to receive network-related content from Tapestry Networks
- Are encouraged to remain in contact with network members and other alumni
- May be invited to special events and dinners on an ad hoc basis

About Tapestry Networks and EY

Tapestry Networks is a privately held professional services firm dedicated to helping leaders – directors and boards in particular – do their work more effectively. EY is a global leader in assurance, tax, transaction, and advisory services. EY refers to the global organization, and may refer to one or more, of the member firms of Ernst & Young Global Limited, each of which is a separate legal entity. Ernst & Young Global Limited, a UK company limited by guarantee, does not provide services to clients.

Since its inception, EACLN has been organized by Tapestry Networks pursuant to a services agreement with EY, under which EY pays Tapestry Networks a services fee.

Tapestry Networks is a separately owned, managed, and controlled legal entity distinct from EY. No member firm of the global EY organization controls, is controlled by, or is under common control with Tapestry Networks. Due to the significance of the EY relationship to Tapestry Networks' overall revenues, EY has implemented appropriate compliance and monitoring activities with respect to Tapestry Networks for purposes of applicable auditor independence rules.
